Loose Ends

This brand new release from Foo Fighters & Me First and the Gimme Gimmes guitarist Chris Shiflett -- Shiflett is joined by brother Scott (also in Face To Face) In addition to the regular lineup, Foo Fighters Dave Grohl and Taylor Hawkins play on various tracks in this collection of rousing, guitar-laden punk hymns much in the style of classic first wave bands like the NY Dolls and Stiff Little Fingers.

The band is currently on tour with The Loved Ones.
