Jackson United formed back in 2004 by Foo Fighters/Me First and the Gimme Gimmes guitarist Chris Shiflett, his brother Scott of Face to Face, Doug Sangalang and newest recent addition, drummer Joe Kid of Mighty Mighty Bosstones. The band just released their second album *Harmony And Dissidence* this past Tuesday on Acetate Records. Both Dave Grohl and Taylor Hawkins of the Foo Fighters shared drumming duties on the album. *Harmony And Dissidence* is a call to arms, fast-paced, guitar driven anthems, catchy tunes, big riffs reminiscent of The Clash, Face to Face, Sludgeworth and punk's glory days.
