Joined by former AC/DC drummer Simon Wright, Rhino Bucket once again delivers their distinct brand of three chord boogie rock n' roll unlike any other on their latest release, The Hardest Town. 2006 marked return of [Rhino Bucket](#) after a 10 year lapse, with the release of "And Then It Got Ugly". Picking up where the band left off, they introduced their newest member, guitarist Brian "Damage" Forsythe of KIX fame. A full scale US tour followed, including dates with Supersuckers, Velvet Revolver and a performance at the infamous Rocklahoma.

2009 will bring a US tour, including the "Rock Gone Wild" festival, and performances on the European festival circuit.
