Rating: **7.8** / 10

In a musical climate where many bands rely on gimmicks, hype and super-technical feats of wizardry it's sometimes refreshing to find a band that intentionally goes against the grain. Since 1988 the Los Angeles-based hard rock band, Rhino Bucket has been doing just that, by playing unpretentious hard rock that relies on grit, attitude and three chord progressions.

But this, Who's Got Mine, is the band's sixth release and it works so why change what ain't broken? Despite the simplicity though Who's Got Mine, this is a high-energy record that is packed to the gills with fun, catchy choruses all geared for one thing; kicking back and having a good time. This is good music for fun people so crank it up, crack a beer, kick back and enjoy yourself!
