# Rhino Bucket's Bottle Is Talkin' Rawk

by Superfan on February 12, 2011

in [Rock](#)

This tune ROCKS! [Rhino Bucket](#) channels the AC/DC playbook and adds their own indie nihilistic twist. I love it. The gruff vocals, and that double rock-roll guitar twang! Hells yeah! Bring it! I'm awake now. Fun with guitars, bass, drums, a bottle and a mic.
