

TOXIC FLYER ZINE

RAIN(DAD IS DEAD) CD

Powerful rock n roll with a strong feel and great screaming vocals like Bruce Dickerson. With a rock sound RAIN will pour on you like... QUEEN, KINGS X, early IRON MAIDEN, RAINBOW, SABBATH, and BULLET BOYS with just a killer rock sound. But RAIN will also give you some loud guitars with that screaming edge and fast's licks. Just a good mixer of 70's meeting 80's style rock with some power. (VG+) ROCK AURAL MUSIC) BW
