### GLENN O' BRIENS TV PARTY DVD

Rating: 3 stars

Geeks rejoice! A new, old favorite is now on dvd..the Glenn O' Brien TV PARTY! I was actually too young to really have seen this show, so it's really cool to check out this dvd & see the debut show, which featured a very young Fred Schneider from teh B-52's reciting poetry, & one of the member of the Mentors performing solo, & some other wacky stuff! This dvd is in black & white as that was how this public access show was broadcast, & the highlight of the DVD is a bonus footage clip of Clash member, Mick Jones when he was a guest on this obscure underground fav.! I had a blast watching this dvd, because it was the true beginnings of reality tv...nothing was scripted, nothing went as planned..it was REAL reality tv!
