The out there French genre film SILENCE, CA TUE (translation: QUIET, WE KILL) will be unleashed on DVD come SEPTEMBER, 22nd, 2009 (get it here now dammit) and we got an EXCLUSIVE BLOOD SOAKED CLIP from the film for ya. Stab it below and see it bleed real good!

SILENCE, CA TUE was directed by CHRISTOPHE LAMOT (a cool dude BTW) and is about: A young director disgusted by the financing system of the movie industry decides to shoot a feature movie made from live scenes without any financial support in order to denounce the difficulties to achieve a cinematographic project in Belgium. The rivalries between the cast members, the excesses and the frustrations will slowly lead him to a surrealistic disaster.

You can VISIT the film's OFFICIAL SITE HERE and you can get me some flute dames (with tramp stamps please, thx) for my troubles HERE.
