Unhung Hero. Actor Patrick Moote's girlfriend turned down his marriage proposal complaining, among other things, that he didn't measure up when it came to his anatomy. So Moote partnered with director Brian Spitz to shoot this candid - at turns funny, gross, and touchy - documentary. Due Nov. 26, it has Moote revisit his former girlfriends to ask: Does size really matter? (<http://bgpics.com/cq>; \$17.99; not rated).
