

*Portlandia: Season 2* — IFC's rapidfire sketch comedy pokes fun at the bohemian, hyper-politically correct counterculture of Portland, Oregon. Carrie Brownstein and Fred Armisen lead the way, playing recurring characters, and several guest stars pop in, including Eddie Vedder, Jack McBreyer, Kristen Wiig, Andy Samberg, Jeff Goldblum and Amber Tamblyn. The series loses a bit of steam from its uproarious first season, which you can catch on Netflix, but still packs plenty of laughs. Commentaries, behind-the-scenes footage and previously unaired scenes bulk up the two-disc Blu-ray package.
