MYQ KAPLAN-MICAH SHERMAN/Please Be Seated: With pedigrees coming from Second City, late night comedy and studio movies, this duo sets the stage for nu musical comedy in the vein of Tom Lehrer as opposed to 50s theater. And these cats are funny. Lower high brow humor that winks at it's populist edge, ala "30 Rock", these cats provide a wonderful diversion where there's a cerebral edge, but they are nice enough to do the thinking for you so there's nothing to do but sit back and have a good time. Yes, Virginia, there is comedy other than stand up, and this hit's the mark nicely.
