STEMM

The band who penned the UFC theme song 'Face the Pain' will team up with Jagermeister, Adakain and His Name Was Yesterday for a six week U.S. tour.

By: Joe Cafarella of STEMM

If you haven't yet heard the name STEMM, you have probably heard at least one of their songs used on the Ultimate Fighting Championship's (UFC) televised programs and video games.

STEMM has been touring relentlessly since the 11/08 release of the CD "Blood Scent" and will be teaming up with Texas hard rockers Adakain (featuring ex-members of Element 80) and New York's His Name Was Yesterday for a six week U.S. tour.

Jagermeister have announced the first 22 dates at www.myspace.com/rideordietour - starting September 5, 2009 in Billings, Montana and ending October 17, 2009 in Baytown, Texas with ten more dates soon to be announced.
