Stemm – Blood Scent

Stemm – Blood Scent CD (Catch 22)

Hmm... white guys with dreadlocks and goatee beards, a Nine Inch Nails cover song... I think I know what's coming. Chunky down-tuned riffs, pounding double-bass drums, angst-ridden vocals. It's competently done, and if you're a fan of Pantera style groove metal this pretty much ticks all the boxes, although it's a bit formulaic at times for me. Ian Pickens
