- There were only three ways out of the East End – Football, Boxing or Rock ‘n’ Roll.. East End Babylon tells the unvarnished story of the Cockney Rejects through interviews, archive material of the band and their East End roots plus thunderous live footage.
- The slip-cased DVD comes with a 12-page booklet. - **East End Babylon** is really for the fans. There's no other way to put it. It's not bad per se, but if you aren't a fan, you won't get much out of it.
