MP3 At 3PM: Jah Wobble And Keith Levene

November 28, 2012

PiL founding members [Jah Wobble](#) and [Keith Levene](#) have just collaborated on an album for the first time since 1980's *Metal Box*. *Yin & Yang* is out December 11 via MVD. Says Wobble of the two working together again, "I reunited with Keith a couple of years ago. He was off smack and keen to play again. We had a bash in a rehearsal room and it went well." Download *Yin & Yang*'s title track below.
