was to say that no American can be not allowed into a place of business based on the color in their skin, or their ethnic heritage." He agreed there were parts of the Civil Rights Act that were both necessary and needed. He did not however support DEI messages that only divided Americans from one another.

Charlie Kirk's life mattered. He saw real injustice and sought to fix it. He believed our Bill of Rights were handed to us not by government decree but by the word of God. He was a good and moral person who did the best he could in the time God allotted him on this earth of ours. He deserves our prayers and not our scorn. A life well lived.

Obayashi's first groundbreaking teenage idol picture is a dazzling mix of special effects and blue-screen artifice — a stylistic flair perfected in Obayashi's debut House, now utilized for the onset of an alien invasion. Ordinary schoolgirl Yuka's (Yakushimaru) new term comes to an odd start when she inexplicably stops an accident by using latent psychic powers. Troubled by her newfound abilities, Yuka also senses a strange force start to

take hold of the school, with students turning into mind-controlled fascists, patrolling school halls, stifling dissent and mandating the re-education of freethinkers. A psychotronic fantasy forged into a young girl's destiny to defend the planet, School in the Crosshairs is a cosmic overload of extraterrestrial tyrants, preternatural powers and Obayashi's uniquely adroit filmmaking abilities, underlaid with an existential cry for free will.

EXTRA Innings

by Sal Giaratani

Either Way the Yankees are Always Fun to Watch Except if You're a Red Sox Fan

either Ellis is still smiling or packing up his Yankees gear for next season.

Here is a photo of Michael Ellis who is the chair of the English Department over at Quincy High School where I also work. Ellis is a big NY Yankees fan. I took this photo of him smiling when the Yankees took out the Red Sox in the Wild Card Series. However, since moving on to the ALDS, the Yankees started off poorly and last night (Tuesday), the smile returned to his face as the Yankees beat the Blue Jays up in Toronto, 9-6. Tonight they play again. Depending on what happens up north of the border,

Saying Goodbye to Clayton Kershaw

In his last regular season start, Clayton Kershaw tossed 5 scoreless innings, scattered four hits, three of them singles and struck out seven. The 37-year-old lefty turned to his slider in the top of the sixth to retire Eugenio Suarez for the 3,052nd strike out of his career and left the game to a standing ovation. He was 11-2 in the last of his 18-year career. "Amazing" is the only thing to say about this guy.

Finally, This Red Sox Team Goes Away, not Even 89 Wins Made Me Happy About Them

This is a team that only does so much and then gives up. Year after year. Where is the motivation? Where is the manager? The sooner Alex Cora gets replaced the better I will feel. I'm sure he's a nice guy but not my kind of manager. I still long for Terry Francona or Dick Williams.
