THE DAMNED

DON'T YOU WISH THAT WE WERE DEAD

FROM "LEMMY" FILMMAKER WES ORSHOSKI,
COMES THE STORY OF THE LONG-IGNORED
PIONEERS OF PUNK: THE DAMNED,
THE FIRST U.K. PUNKS ON WAX
AND THE FIRST TO CROSS THE ATLANTIC.

INCLUDES APPEARANCES FROM

- CHRISSIE HYNDE,
- MICK JONES (THE CLASH),
- LEMMY AND MEMBERS
- OF PINK FLOYD,
- BLACK FLAG,
- DEPECHE MODE,
- THE SEX PISTOLS,
- BLONDIE,
- BUZZCOCKS, AND MORE.

Raw, funny, intimate and at times heartbreakingly sad...

The film certainly has its dark side but it is also an exhilarating account of what total commitment to the life of a rocker is all about...
