AMON AMARTH
"Twilight of the Thunder
God"**Reunited DÉTENTE Working On New Material - Oct. 4, 2008**

Reunited California-based metallers **DÉTENTE** — featuring vocalist **Ann Boleyn (HELLION)** and guitarist **Michael Carlino (FEAR OF GOD)** alongside original **DÉTENTE** members **Dennis Butler** (drums), **Caleb Quinn** (guitar) and **Steve Hochheiser** (bass) — have issued the following update:

"**DÉTENTE** will take a couple months off from playing live to focus on new material. The new material will be introduced in December at a Los Angeles show soon to be announced."

Video footage of **DÉTENTE** performing at the **Headbangers Open Air** festival on July 25, 2008 at the Ballroom in Hamburg, Germany can be viewed below (clips uploaded by [YouTube](#) user "**stoneagelighting**").

Cognitive Records/MVD Entertainment Group has just released the "**History I**" CD containing the original four-song demo from **DÉTENTE** plus the demo from the post-**DÉTENTE** band **CATALEPSY**. According to a press release, "The original [**DÉTENTE**] four-song demo recorded in 1985 generated such excitement in the extreme metal scene that [UK's] **Kerrang!** [magazine] called **DÉTENTE** the 'most promising band to emerge from the thrash genre.' Mastered and available for the first time this recording has been coupled with the [demo recording from the] post-**DÉTENTE** [band] **CATALEPSY**. **CATALEPSY** featured the **DÉTENTE** songwriting duo of **Steve Hochheiser** and **Ross Robinson** as well as **MACHINE HEAD**'s **Dave McClain** on drums. Critics praised **CATALEPSY** as one of the first progressive thrash bands and as the natural evolution of **DÉTENTE**."

"**History I**" CD track listing:

01. Holy War
02. Widow's Walk
03. Shattered Illusions
04. Vultures in the Sky
05. An Offering

"**Recognize No Authority**" was a critically acclaimed recording that maintains a cult following to this day. It was also the launching ground for nu-metal metal producer **Ross Robinson** (**KORN**, **SLIPKNOT**, **FEAR FACTORY**, **SOULFLY**) who plays guitar on the album. The CD also marked the first full-length release by **FEAR OF GOD**'s **Dawn Crosby**, who sadly passed away on December 15, 1996.

"Detente, General. You don't have it and I don't have it."

I had to work in a quote from "For Your Eyes Only" somewhere. But really, they were a pretty decent band.
