"**Détente** will take a couple months off from playing live to focus on new material. The new material will be introduced in December at a Los Angeles show soon to be announced."

Video footage of **Détente** performing at the **Headbangers Open Air** festival on July 25, 2008 at the Ballroom in Hamburg, Germany can be viewed below (clips uploaded by **YouTube** user "**stoneagelighting**").

According to a press release, "The original [**Détente**] four-song demo recorded in 1985 generated such excitement in the extreme metal scene that [uk's] **Kerrang!** [magazine] called **Détente** the 'most promising band to emerge from the thrash genre.' Mastered and available for the first time this recording has been coupled with the [demo recording from the] post-**Détente** [band] **Catalepsy**. **Catalepsy** featured the **Détente** songwriting duo of **Steve Hochheiser** and **Ross Robinson** as well as **Machine Head's Dave McClain** on drums. Critics praised **Catalepsy** as one of the first progressive thrash bands and as the natural evolution of **Détente**."

01. **Holy War**
02. **Widow's Walk**
03. **Shattered Illusions**
