Supersuckers "From the Audio Video Dept.: Anaheim" (MVD)

By **Abel Folgar**

You know... sometimes rock and roll needs to be crisp!

Whoo-wee baby!! I always put them **Supersuckers** in whole whip! Think cowboy punk with The Hellcopters fans and the newly converted get 17 tracks at 70 minutes you're gonna use 'em. If you don't, you're gonna throttle them in for the purists, but the stage recording's got some aliasing in the corners.

Check out the extra stuff and click where you don't think a track well worth the extra work! "Rock Your Ass," "Bruise of Rock-N-Roll" are in this mother. MVD: you keep slipping, sometimes rock and roll needs to be crisp! And the live recording and crack the Jim Beam!
