Sublime - Tribute: Look At All The Love We Found Live (MVDVisual). 5 ribs-tasty.

There's nothing like the real thing, but they came close with this one. On the evening of October 24 2005, The Music Box at Fonda Theater played host to "Look At All the Love We Found: A Tribute to Sublime," a benefit concert to honor and celebrate the legacy of the 90s' surf rock band as well as raise funds for those in need. It was a huge turnout as artists like Los Lobos, Unwritten Law, Ozomatli, Blackalicious, Fishbone & The Ziggens coming together on one stage to pay homage to one of the greatest groups of all time. Also included is a bonus audio CD contains never before heard covers of Sublime hits such as: Dr. Israel "Had a Dat" and The Banned feat. Chuck D. on "Ebin." Go get this.
