LOOK AT ALL THE LOVE WE FOUND: Live –  
A Tribute To Sublime  
DVD

Bradley Nowell was essentially taken from us way too soon..he never got to see his music become huge, he never got to live the rock star life, & he never got to see his dreams realized. This new DVD features loads of cool footage from a concert that was held in his honor, & to honor the band Sublime. Los Lobos, Unwritten Law & Fishbone deliver amazing renditions of Sublime classics, & I love the Fishbone video for "Date Rape" that is included on this dvd. One of the cool things about this dvd is that there is a free, bonus audio CD included that has some cool covers of Sublime songs by Chuch D, Fishbone, & Brain Failure to name but only a few! Stephen Perkins from Janes Addiction plays on a few songs during the jam sessions, & Sublime's original drummer also shows up to play on this dvd! From beginning to end, this is a celebration of Sublime's musical legacy, & it can be viewed as sad because of the tragic death of Bradley, but I view this CD as a triumph, that the bands music has ascertained legendary status, & this tribute concert/dvd is proof of that!
