NEWS**Big Audio Dynamite 'E=MC2' Live DVD out 3/13****Posted On:** January 18th 2007**Posted By:** Bryan Kremkau**Source:** [MVC](#)

This is the first ever Big Audio Dynamite DVD! Shot in 1990 at London, England's world famous Town and Country Club, this DVD features a sell-out concert by B.A.D.II. Mick Jones and his posse pull out all the stops with a truly mesmerising performance. Jones and Joe Strummer fell out over some major artistic differences in '82 and the result was the demise of THE CLASH, one of Britain's truly legendary punk-rock bands. Then in '84, B.A.D. assembled to brilliantly combine rock, reggae, hip-hop, be atbox rhythms and hi-tech samples, setting a new standard in music production values. Witness it LIVE here!

Song Titles:

Medicine Show, I Don't Know, Other 99, E=MC2, The Globe, Rush, The Bottom Line, 1999

Street Date: 03/13/07
