

Ear Candy (March 14, 2007)

**Big Audio Dynamite**

Live: E=MC2 (DVD)

Cherry Red

Mick Jones formed BAD when The Clash broke up. He wanted a band that would be able to indulge his musical tastes as he mixed rock, reggae, hip-hop and samples into dance music of the mind. Live E=MC2 captures BAD on the top of their game as they blow the minds of the hyped up sold out crowd. – **WW**
