MVD [Entertainment](#) Group is gearing up to release a new HANOI ROCKS package entitled The Nottingham Tapes, which is scheduled for June 10th. They have issued the following press release:

"This performance, filmed on April 23rd 1984 at the Palais in Nottingham, England, has since established itself in the annals of Rock 'n' Roll legend. The Nottingham Tapes was born. Here, at last, for the first time on DVD, is that very footage in all its sleazy, gritty glory. As a piece of rock history it is priceless, as a piece of pure rock n roll pleasure it is peerless. Formed in Helsinki in 1979, Hanoi Rocks drew their influences from American proto punk bands such as THE STOOGES, THE SONICS and most obviously THE [NEW YORK DOLLS](#). But unlike their punk peers they delved into the music that inspired their heroes - Chuck Berry, Little Richard and other Rock 'n' Roll icons. Add a healthy slice of glam rock to the mix and you had a band that would, in turn become a massive influence on generations of rock bands that followed, most significantly GUNS N' ROSES and MANIC STREET PREACHERS.

For the best part of five years Hanoi Rocks stormed the world, relocating first to Stockholm then London, and although they never achieved the commercial success they deserved they amassed a huge cult following that still thrives today. So much so that Mike Monroe and Andy McCoy reformed as Hanoi rocks in 2002 and are still touring."

The tracklist is as follows: 'Back To Mystery City', 'Up Around The Bend', 'I Can't Get It, Motorvatin', 'Mental Beat', 'Boulevard Of Broken Dreams', 'Don't Never Leave Me', 'Tragedy', 'Malibu Beach Nightmare', 'Underwater World', 'Lost In The City', 'I Feel Alright', 'Taxi Driver', 'Blitzkrieg Bop'.
