O's Notes: This is one of the classic soul singers who not only sang but dancer and engaged his audience. It's not only just about Womack on this disc. You will hear from all of the people surrounding the legend and what made him tick. The musicians and the behind-the-scenes crowd that kept it all together are all here. Bobby rocked audiences both Black and White, crooning and playing a rockin' blues guitar. Yes, Bobby was an entertainer and this DVD captures him going full tilt on tour.
