## **The Jesus Guy**

 December 31st, 2010

1/19/2011

The Jesus Guy | Independent Filmmak...

He looks like Jesus Christ. And preaches like St. Francis of Assisi. Some say he's "a kook." Others, "a blessing from God." Barefoot, and clad in a white robe, he's walked through 47 states [and 13 countries] on a 12-year mission that's captured media attention from 20/20, Time and the Wall Street Journal. Yet who is this solitary figure who inspires faith — and attracts controversy? "The Jesus Guy" covers the mystical journey of America's "Barefoot Evangelist." In a nation that worships money, he's penniless. In a culture that idolizes celebrities, he's forsaken his identity. Now, on a spiritual quest even he doesn't fully understand, his faith — and your own — will be tested. Every step of the way. With the intimacy of single-camera filmmaking, Director Sean Tracey allows us to walk in "The Jesus Guy's" steps as he encounters both skeptics and believers, changing them...for better, for worse, forever.
