

CARAVAN 'THE 35TH ANNIVERSARY CONCERT DVD'

(CHROME DREAMS/MUSIC VIDEO DISTRIBUTORS)

Formed in the late 60s, CARAVAN has been one of those typical UK Prog/Rock/Pop bands that lasted for 35 years and to celebrate this event they performed a concert in London in 2003, which was recorded and is now released as a 2-DVD set. The band's music is something you gotta love, because it is a progressive, symphonic and quite calm, but fans of typical British Prog/Rock a la CAMEL, COLOSSEUM, SOFT MACHINE, PINK FLOYD... are definitely also a fan of CARAVAN. This wonderful 2-DVD set is featuring their 35th year anniversary concert from 2003 as well as rare footage from their 1973 performance on BBC's 'Old grey whistle test' and interviews with the bandmembers. Must-have for fans of the band this 160 minutes counting DVD, which is available through: <http://www.musicvideodistributors.com>
