### Win 'Shakatak - Live at the Playhouse'

This 18-song performance was filmed and recorded at the Playhouse Theatre in Epsom, UK on May 28th 2003. It's presented here in Digital 5.1 Surround Sound and features an exclusive interview with the band.

Shakatak's sound is as cool, sophisticated and uplifting as a sparkling cocktail. They were the leading lights of the British jazz-funk scene in the eighties. The band maintains a cult status with their catchy and relaxed music.

They play an elegant, sophisticated and unashamedly laid-back type of jazz-funk similar to that made popular by American bands like Spyro Gyra, the famous Brecker Brothers and occasionally the Crusaders.

So, if you would like to win one of these truly wonderful new DVDs, just answer this easy question: Keyboardist Bill Sharpe had a hit back in the '80s when he sang with which nu wave songster on a #1 hit in the UK?!

Send us your answers and if you're correct you'll be in the running to win one of these wonderful DVDs! Just send us an e:mail here before July 15th with your answer and the subject title '**SHAKATAK**' DVDs to: [exclusivemagazine@flash.net](mailto:exclusivemagazine@flash.net)
