"Sic Semper Tyrannis"

Track Listing:

I didn't bother to list the tracks for this review because what I discovered when I checked out this disc was that EVERY song on this record is NOT in English so I can't understand what they are saying & therefore the song titles are the same way...all in some other language which makes the vocals & song titles useless to me.

Music wise this record kicks ass...the guitars sound amazing & strong, the rhythm is tight & this band plays some kick ass metal music BUT the non-English vocals ruin it for me!
