## Murder City Devils – The End From Music Video Distributors By Robin Steeley

Fans of the infamous Seattle punk band Murder City Devils will have a chance to watch the bands final show filmed at the Showbox in Seattle on Halloween of 2001. It includes the entire 60-minute show and a final connection with fans before the end. The DVD features a full-length commentary track with Spencer as well as some live bootleg videos.

Formed in the late 1990's, the Murder City Devils were known for their own unique brand of raging punk rock. Being from the Pacific Northwest this is really a gem for me, a chance to look back at a band that helped form the Seattle underground scene. This is definitely going to stay in my personal collection.
