**plus... New York Dolls: All Dolled Up (2005)** In the early 70s, rock photographer Bob Gruen and his wife Nadya purchased a portable Video Recorder. This feature length documentary captures the band during early performances in New York at Kenny's Castaways and Max's Kansas City, then follows the Dolls on their tour of the West Coast, including footage from the Whisky A Go Go, the Real Don Steele Show, Rodney Bingenheimer's E Club and much more.
