

FASCINATION FOR HUMAN LEAGUE

Now available on DVD is the Human League performing live in Brighton, UK. *Human League: Live at the Dome* captures the final show of their wildly successful 2003 tour. The group known for their futuristic sound on songs such as "Mirror Man," "Hard Times/Love Action," and "Fascination," perform these and 14 other hits. The bonus features include exclusive interviews with the group, a road film of the U.S. tour and a photo gallery of Human League. The DVD is also digitally filmed and in 5.1 Surround sound. Don't you want this baby? Bond and become one with the synth-pop sound of the 1980's.
