## Rock Stars For Hire

AMP Video Archive for the Ages Vol. 2 (MVD) AMP music magazine is probably your source for all the news, interviews and reviews which okay to use here and now they are keeping their tradition alive and well with an archive of music videos that you may or may not have seen. On Vol. 2 the line up is great with videos from all your favorite bands in punk, metal, hardcore and indie. Some of the bands are well, All That Remains, The Bronx, The FIght, Engine Down, Remembering Never, Strung Out and more. This is your standard push play at the menu screen and watch the videos. Simply put its one hell of a collection and would make a great gift.
