Can't Stop Us showcases The Casualties' live show (and if you thought circle pits died in the '80s, think again), as well as their connection with their fans. From screen printing T-shirts in Jake's mom's garage to being one of the Vans Warped Tour's biggest acts, The Casualties, Jorge, Jake, Rick and Meggers, have accomplished more than any street-punk band in history over the past ten years. And this DVD is a brief snapshot of what their lives were like in 2005.
