METAL'S DARKSIDE/Hard And The Furious Volume I DVD (Music Video Distributors)

This is a compilation video hosted by the sexy porn star Jasmine St. Claire. There is interviews with Death Angel, Cannibal Corpse, Nevermore, Satyricon, and 2 of the guys from Damageplan, who were in Pantera and there is a tribute to Dimebag Darrell on it. There is also videos with the above bands and a preview of the next volume. Pretty cool stuff and Jasmine looks smokin. Info:
