Metal's Dark Side

The Hard & The Furious

MVD

If I review this nicely, do I get to sleep with the pretty guitar totin' lady on the front cover? Pweeeease? *Reviewed In-Brief*

Though only lasting a mere 80 minutes, this DVD is literally packed until bursting with metal gloriousness! Featuring some amazing promo clips from the likes of Cannibal Corpse, Satyricon, Damageplan, and the excessive Nevermore as well as some indepth interviews and behind the scenes footage from metal's seediest underbelly, it's a startling glimpse into the world of Metal and especially life on the road. Of course presenter Jasmin St. Claire steals the show, but I'm a mere mortal man, but if it's a sheer metal thrill you're after, this DVD has it in spades!
