Metal's Dark Side –
***The Hard and the Furious Vol. 1* DVD**
Video Music Distributors 2006

This DVD is a compilation of interviews with such luminaries as George Fisher of Cannibal Corpse, Satyr of Satyricon, among many others. The interviews are conducted by former porn vixen Jasmin St. Claire, who actually does a pretty good job, even if she might once in a while interrupt the person she's interviewing. The DVD also contains videos by Death Angel, Satyricon, and Cannibal Corpse, and for you Jasmine fans, there's a segment where she's soaking in a bathtub, and ranting on and on about metal. This DVD is great for both the metal, and the eye candy. It seems that this will be the first in a series, so go and get yourself one.
