

**QUIDAM 'THE FIFTH SEASON – LIVE IN CONCERT DVD'
(METAL MIND PRODUCTIONS)**

With a running time of 215 minutes, another well-worth DVD to check out from the METAL MIND PRODUCTIONS label, the Polish label which is about to become the best label for DVD releases. This time it concerns a DVD release of the Polish band QUIDAM, a very big name in the Progressive Rockscene. This band has been making music for at least 10 years I think and is musically not that far away from bands like IQ, JADIS, PENDRAGON, THRESHOLD, MARILLION, PALLAS, so pure Prog is what to expect from QUIDAM, yet with an own sound in the end. The included footage on this DVD is a full live concert the band did in Katowice, Poland 2005. Also featured are studio reports, tour reports, rare tour footage and a couple videoclips, making this an almost 4 hours counting DVD which is a must-have for any Progfan out there. DVD is available through: <http://www.metalopolis.pl> and for American audience at: <http://www.musicvideodistributors.com>
