

Poison "Seven Days Live" DVD

Seven Days Live captures Poison (Bret Michaels, Bobby Dall, Rikki Rockett and Richie Kotzen) at the height of their international success with a full show recorded at London's Hammersmith Apollo in 1993. Featuring classic tracks like Unskinny Bop, Talk Dirty To Me, Every Rose Has It's Thorn, Nothin' But A Good Time and more, the band demonstrates what 10 years of hard work can do.

For Poison fans "Seven Days Live" is a must have. This is an "in your face" hard rock show with all the glam you can want. The band is in Top form and the DVD almost makes you feel like you were there. Greatly filmed and recorded you will want to watch this DVD over and over again.
