GENITORTURERS: Live Recording of 'Public Enemy' Posted Online - Aug. 11, 2007

Florida-based "shock-rock" band **GENITORTURERS**, featuring **MORBID ANGEL** frontman **David "Evil D" Vincent** on bass, has posted a live recording of its song "**Public Enemy**" on the group's [MySpace page](#). The track was recorded live in St. Peterburg, FL at the State Theater and will be featured on the **GENITORTURERS'** upcoming DVD, entitled "**Live in Sin**", to be released this fall by **MVD Visual**. The "**Public Enemy**" video from the forthcoming DVD will premier on **MySpace** on August 21.

GENITORTURERS recently traveled to California to mix part of its new CD in Hollywood at the **Chop Shop** by producer **Scott Humphrey (ROB ZOMBIE, MÖTLEY CRÜE, METALLICA, TOMMY LEE, THE CULT, MONSTER MAGNET)**. Additional mixing sessions took place in Orlando with producer **Dave Ogilvie** and **Veit Renn** at **RMP studios**.

Dave Ogilvie has a long history with **GENITORTURERS**, stepping in to mix their 1993 debut **IRS Records** release "**120 Days of Genitorture**" and producing most of their "**Machine Love**" CD, which included a cover of the **DIVINYLS'** "**I Touch Myself**".

The majority of the album was recorded in the **GENITORTURERS'** own **Compound Studios** with additional drum tracking at Tampa's **Redroom studios**.

Dave Vincent should not use his real name on this tripe...

COMMENT | I will check this out too

I used to have a band rehearsal warehouse that some of the guys from Genitorturers shared in Palm Beach during the "120 Days of Genitorturers" era. They were cool dudes to chill with. That album was great and everything since was pretty cool.

COMMENT | Seen them with Dave Vincent
