Out now via the MVD label is Genitorturers' live DVD "Live In Sin". This DVD features 10 live <a href="music videos">music videos</a> including 3 videos of unreleased live versions of <a href="music new songs">new songs</a> set to debut on the bands 2008 album release. Bonus material on the DVD includes a rare Japanese "Sin City" promo video, outakes from the band's "Hu\$tler" shoot, interviews and backstage and behind the scenes fun, and even a little whisky drinkin' and mud wrestlin "thrown in for good measure" as the label puts it. The band has done extensive touring in the United States, Japan, and Europe and is internationally renowned for its exploits and pornographic show content (see the video above).
