Film

Hated(1994) feat. GG Allin

when: Tue 8.7 (7pm)
where: Delilah's (2771 N Lincoln Ave, 773.472.2771)
price: FREE
details: [Event Info](#)

Christened Jesus Christ at birth to please his zealot father, rock 'n roll iconoclast GG Allin was all about shock and showmanship. His depraved feats included slinging his own excrement at the crowd, shattering his teeth with the mic, sexually assaulting and beating female audience members, and enthusiastically defending rape on the *Jerry Springer* show. Allin boasted often about an onstage suicide, perhaps simply because it was the only way the jockstrap-clad frontman could have topped himself. A student film from director Todd Phillips — who later scored some funnier scatological points directing *Road Trip* (2000) and *Old School* (2003) — *Hated* frames the uncompromising singer, just days before his death from a heroine overdose.
