Busted Circuits and Ringing Ears

Posted Jan. 9 at 6:24 am by Michael Alan Goldberg

I *cannot fucking wait* for this – a new TAD documentary DVD entitled "Busting Circuits and Ringing Ears" arrives on February 19th. Loads of live footage and interviews with Tad Doyle and his bandmates, plus such notables as Jack Endino, Krist Novoselic, Mark Arm, Kim Thayil, and others.

Here's the trailer:

Here's some TAD facts I was recently reminded of in a press release:

- * Banned from MTV for being too ugly
- * Sued by Pepsi
- * Sued for using a found photograph for their album cover (by the people in photo).
- * Was dropped from their label for using a picture of Bill Clinton smoking a joint as the band's tour posters.
- * Toured with Alice in Chains, Soundgarden, Primus, and Nirvana.
- * Albums were recorded by producers Butch Vig, Steve Albini, J. Mascis, and Jack Endino
