LATEST NEWS

Tuesday 02.06.2007

When you've been around for 25 years you must be doing something right. [The Queers](#) released their first 7" way back in 1982 and have been going strong ever since. 25 years later Joe King (aka Joe Queen) takes the stage once again in support of a new album, *Munki Brain*, (out today!) and a [new DVD](#) to be released later this month.
