Happy birthday to you, happy bithday to you, happy bithdaaaaaay dear The Queers, happy birthday to you!

Featuring world tours from '93 to '05, interviews, music videos and an unreleased animated video on their 1st ever DVD. In 2007, The Queers are showing that they may be ageing but they know the power of modern technology and marketing. Anybody who is anybody and a few extra, have a DVD out. This one shows the craziness that goes on in a tour with The Queers. With songs from 'I spent the Rent' and 'Nothing to Do' to 'Punk Rock Girls' to 'Sidewalk Surfer Girl' - they stick their finger up at the doubters and remind the fan's what they can do. Full fo energy and well worth a viewing!
