

Ear Candy (March 14, 2007)

HAWKWIND

Out Of The Shadows DVD

MVD Visual

4 Stars ****

Filmed during Hawkwind's 2002 European Tour, the live DVD is everything you'd want to hear and see from the band. The songs are heavy with a spacey, proggy feel to them, focusing on the groups classics hits Silver Machine, Hurry On Sundown, Master Of The Universe amongst others.

- Willy Wilson
