

# The Week in Sleaze

March April 3-9 2007

By Paul Gaita

*The Mentors: El Duce Vita* ([MVD](#)) is a smorgasbord of puke-rock clips and interviews with the late El Duce and his hooded co-conspirators; and *The War on the War on Drugs* ([Disinformation](#)) is a woozy cocktail of anti-drug propaganda from our deeply wrong-headed educational movie heritage.
