Amon Amarth

With Oden On Our Side (Metal Blade)

Since their humble start in 1992 as an underground band from Tumba, a suburb in southern Stockholm, Amon Amarth have managed to establish themselves as one of Europe's top death metal acts through hard work, relentless touring, and consistently solid albums. What has set Amon Amarth apart from the rest of the death metal scene since the very beginning is their use of Viking mythology and imagery in lyrics and artwork, as well as a talent for writing epic, memorable melodies, which underline their solemn yet barbaric approach to heavy music.

Destroy Destroy Destroy

Devour The Power (Blackmarket Activities/Metal Blade)

Destroy Destroy Destroy is an epic trash battle metal band hailing from middle Tennessee. When listening to the band one can easily imagine flying over a scorched battlefield upon the wings of a fire-breathing dragon, or feeling the spray of the ocean as the oars of a mighty Viking pirate ship propel it to new lands to raid, rape, and pillage.
