METAL DARKSIDE II  
The Deadly Disturbed DVD  
(MVD)  
by *Chris Forbes*

Jasmine ST. Claire interviews Shadow's Fall, Exodus, Suffocation and a few other bands. The interviews are basic questions and while Jasmine looks hot, I didn't find the interviews anything of value. The band videos are kinda cool, but they need to get Jasmine some better questions to ask these bands. Info: <http://www.musicvideodistributors.com>
